1

Get the real life look

Style the tree ends (branches) in a horizontal manner, to create the most natural look.

See the instructional video for visual demonstration:

www.xmasdeco.com/instructions

Style each branch independently & horizontally for a perfectly layered effect.

2

Decorate like a pro

In the instructional video, we share our pro tips & tricks with you. Make the most out of your purchase and learn to decorate like a pro!

Important lights instructions

There is only 1 way to get this right, so please check this carefully. There are 2 different plugs, a 'male' and 'female'. Shift them together in the right position, like displayed on the image on the right of this text.

See also the instructional video for extra instructions:

www.xmasdeco.com/instructions

Be aware of the male and female type of plugs that need to be fitted together in the right position. Otherwise the lights will not work.
